To: Hampton Gaddy <hampton.gaddy@magd.ox.ac.uk>

Dear Mr Gaddy,

The email you wrote to our Research Ethics Committee in connection with Associate Professor Victor Grech has been brought to the attention of the University management.

The matter will be investigated with a view to establishing the facts so that the University can then consider what action, if any, is warranted. Clearly, we are looking forward to any input from the management at Elsevier, the journal's publisher.

Best regards
Pierre
